SUBJECT: State Post Licensure Survey for Awakenings Rehabilitation Inc.

Dear Ms. Hall:

A state post licensure inspection was conducted on November 06, 2017 at Awakenings Rehabilitation Inc. (SA0130127), located at 809 West Erie, Albion, MI 49224 pursuant to Michigan Public Health Code, Act 368 of 1978, Part 62, Section 333.6238.

Participants included:

- Tamra Hall, Director of Clinical Services
- Brad Lyben, Executive Director
- Kelly Moore, Regulatory Officer, LARA, State Licensing Section
- Jim Hoyt, Regulatory Officer, LARA, State Licensing Section
- Trenton Gossman, Regulatory Officer, LARA, State Licensing Section

The following non-compliance was identified during the inspection:

R325.14901(2) Staffing

The equivalent of 1 full-time counselor shall be available for every 10 residents.

It was noted during the site visit on 11/06/2017, the program only had two full-time counselors for twenty-eight residents. On 11/08/2017, the program submitted a plan to address the non-compliance by indicating that the program has hired an additional LLPC. Actual compliance will be verified at the time of the next licensure survey.

Based on the state licensure inspection findings, the Department has determined that Awakenings Rehabilitation Inc. is in substantial compliance with the MCL 333.6201 through MCL 333.6251 and/or the Michigan Administrative Rules R325.14101 through R325.14928 as applicable.
