Participants included:

Marian Beck Clore, RN, BSN, Michigan Department of Licensing and Regulatory Affairs

Based on the pre-licensure survey findings, the department has determined that the applicant is in compliance with the requirements of the code and rules, specifically MCL 333.21401 through MCL 333.21421 and/or the Michigan Administrative Rules for Hospice R325.13101 through R325.13543. A six month license will be issued which you should receive by mail shortly. A post licensure survey will be conducted after patients are admitted (within 6 months).
