SUBJECT: Substance Use Disorder Licensure for Awakenings Rehabilitation

Dear Ms. Hall:

On Monday, July 27, 2020, the Department reached out to your program regarding licensure renewal. At that time, you notified the Department that substance use disorder services were no longer being provided at Awakenings Rehabilitation. Pursuant to Michigan Public Health Code, Act 368 of 1978, Part 62, an onsite survey was conducted on July 30, 2020. The onsite survey confirmed that there are no services being offered at Awakenings Rehabilitation, located at 809 West Erie, Albion, MI 49224. In addition, Awakenings Rehabilitation is found to be non-compliant with **R 325.1341**, as Awakenings Rehabilitation failed to notify the Department in writing at least 30 days prior to closure and failed to submit a closure plan to the Department. The substance use disorder license for Awakenings Rehabilitation (SA0130127) has been closed.
